REAMS BIOLOGIC IONIZATION TESTING

The Reams Testing capstone will be an in-depth, but basic seminar of materials as taught by Dr. Carey Reams. Included in the seminar will be detailed proper lab procedures, basic digestive system anatomy, how to analyze the equation, interpretation of perfect numbers vs. healing range, how to match foods and supplements to the numbers. Details about calciums and how to match the proper calciums with the numbers will be included in the instruction.
