CHILDREN'S NUTRITION & VACCINATION INFORMATION

This seminar is open to all levels of knowledge and backgrounds of training. It will be taught in an easy-to-understand style, and it is a perfect way to spend a weekend if you are parents-to-be or a practitioner wishing to know more about children's special needs. The topics to be covered in the seminar include taking care of you baby before it is born, alternatives to vaccinations, feeding your child, preparing a First Aid kit, and dealing with day-to-day illnesses like measles, mumps, chicken pox, and bumps. A few major diagnoses including "The Three A's" (Asthma, ADD/ADHD, Autism) will also be covered.
